

## 4-high frontload Dairytainer

Robust both in logistics and merchandising, the Dairytainer will wheel the goods through the entire supply chain from the filling machine to the store – the customer is the only person to touch the products!

Frontload dairytainers excel in a semi and fully automated environment and exist in different heights and widths.

### Key benefits

- ✓ Ready-to-sell
- ✓ Fast replenishment
- ✓ Universal display – can be used for various packages
- ✓ Easy and safe to handle
- ✓ Easy to wash and maintain
- ✓ Suitable for automation
