

UK A-frame Roll Container

One of the most silent units in our portfolio, UK A-frame nesting roll container has a plastic floor, quiet wheels and other sound-deadening features. It is nestable for improved vehicle fill – the tight mesh makes this roll cage the perfect anti-theft unit.

This roll cage is also available with a wire-mesh floor.

Key benefits

- ✓ Noiseless operation
- ✓ Durable, ergonomic and easy to handle
- ✓ Good product visibility
- ✓ Easy to maintain
- ✓ Anti-theft
