

York roll container

Multifunctional and easy to maintain, the York roll container is a distribution roll container designed primarily for the movement of both bags and trays of letter mail.

It is equipped with a hand operated dynamic brake for added safety.

As with all K. Hartwall products, the York stands for efficient reverse logistics and long life-span for a low total cost of ownership.

Lightweight and durable, it also complies with ISO standards.

Key benefits

- ✓ Inbuilt efficiency for reverse logistics
- ✓ Ergonomic design
- ✓ Space-efficient
- ✓ Long life-span and low total cost of ownership
- ✓ Reliable braking system
