

Bakery Dolly

Designed to carry Broban crates, the Bakery Dolly simplifies your supply chain and reduces the manual workload.

Thanks to the patented stacking system, the dolly stacks can be transported without further strapping and without any risk of tilting – regardless of the wheel position as dollies lock during stacking. Easy to handle with needle bearing wheels! With rubber-wheels, the Bakery Dolly is PIEK certified.

As with all K. Hartwall dollies, Bakery Dolly offers one-touch logistics and is ready for display locking. Built in ISO standard size for MHE compatibility, Bakery Dolly is also suitable for multiple uses and various transportation systems for a long life-span and low total cost of ownership.

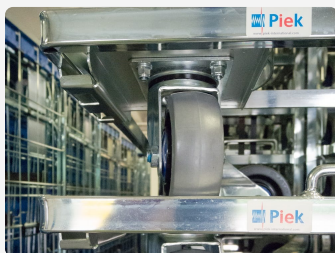

Key benefits

- ✓ Designed to carry Broban crates
- ✓ Easy to stack
- ✓ Space-efficient
- ✓ Very safe and ergonomic to use
- ✓ Ensures higher cubic fill in reverse logistics
- ✓ Easy to handle
- ✓ Enables 24/7 deliveries when equipped with rubber wheels (PIEK certified version)

Technical specifications

External dimensions	490 x 690 x182 mm
Internal dimensions	460 x 660 x142 mm
Unit tare weight	7,5 kg
Safe working load	250 kg
Empty units / 13,5 m trailer	1900
Stacking height	127mm
Height when stacked	10 pieces = 1325 mm
Wheels type	2 swivelling, 2 fixed
Noise level, PIEK requirements	55 dB(A)
Finish	Zinc-electroplated and lacquered
