

## Lean Pallet Size Dolly

The Lean Pallet Size Dolly is a multipurpose load carrier, which can be used both for internal and external logistics.

Towable with other Dolly sizes to build a tugger train, it can carry Euro and ISO pallets as well as plastic crates of various sizes.

The Lean Pallet Size Dolly can be equipped with 6 wheels for 360 degrees spinning.

Also available with a plywood deck and in ISO and US dimensions 48" x 45".

### Key benefits

- ✓ Enables transport of various size items
