Wine tray

Stable and safe distribution unit, the reusable wine tray creates an optimum display with a fully visible bottle.

Suitable for a variety of different bottles, wine tray makes for easier handling as it makes for a ready to display stacked unit – you don't need to shelve wine bottles in the store. No wrap-around needed either!

The combination tray & dolly is a shelf in itself, which provides One-Touch Merchandising from the bottler to the consumer.

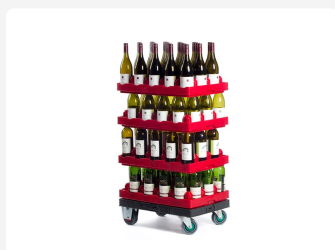

Key benefits

- ✓ Ready-to-sell display
- ✓ Secure unit in transport and warehousing
- ✓ High product visibility
- ✓ For single bottles and multipacks
- ✓ Reusable and durable
- ✓ No secondary packaging
- ✓ Fully recyclable
